Mr. Allen W. Dulles  
Director  
Central Intelligence Agency  
Washington 25, D. C.

Dear Mr. Dulles:

Under designation from the National Security Council the Inter-departmental Committee on Internal Security is responsible for carrying out the continuing review of the implementation of E. O. 10501 to insure that classified defense information is properly safeguarded in conformity therewith, as called for by Section 17 of the Order.

We understand that the Commission on Government Security recently directed an interrogatory to you which contains 50 specific questions regarding the administration of E. O. 10501. Since your responses to these questions would be of value and interest to this Committee in connection with its continuing review of the implementation of the Order, we request that you make available to the ICIS a copy of your response to the CGS questionnaire.

Very truly yours,

J. Walter Yeagley  
Chairman, Interdepartmental Committee  
on Internal Security
